Great value! This condo has plenty of living space and with the bedrooms and kitchen and living room on one level the provides a great sense of open concept living. The kitchen is large, with beautiful maple cabinets, pantry and ample storage space. The living room is a large space that has patio doors that lead to your own stone patio with natural gas BBQ hook-up! The Master is a good size and has a large walk-in closet. There is a second bedroom and a good sized 4-piece bathroom as well. This home makes for a great place to call home or a great investment property to rent out! The condo comes with two out door parking stalls . Don't miss out on this great opportunity!
